

Questions to ask yourself	What initiatives already exist that align with what I want to achieve?	What initiatives already exist but are not present in my community?	Investigate opportunities, collaboration, funding, resource pools, needed equipment, potential team	What do I need?	What do I have? (this usually starts with non financial resources)
Where to look?	E.g. similar organisations, government programs	Perhaps programs you have seen elsewhere	Who has funding or resources	Team, resources, funding to kick start the idea for impact	Time Knowledge Skills Passion Networks
What to follow up?		List of websites		Map resources, organisations, schools, places of significance, other opportunities	
When will this be done?					
Who will be responsible for this?
