

To get an output	To get an outcome	To make impact
<p>Example: Projects and programs that aim to inspire young people to get involved.</p>	<p>Example: Perhaps the number of new young people leading with Landcare.</p>	<p>Example: Number of new young people improve their communication skills and confidence, even contribute to decision-making.</p>
<p>List your potential assumptions:</p> <ul style="list-style-type: none"> <li>- Young people want to get involved</li> <li>- Young people are available to attend</li> <li>- Young people can travel to the event</li> </ul>	<p>List your potential assumptions:</p> <ul style="list-style-type: none"> <li>- Young people involved will be able to inspire and invite more young people to get involved</li> </ul>	<p>List your potential assumptions:</p> <ul style="list-style-type: none"> <li>- Young people are aware of the impact they can create</li> <li>- Young people are supported by mentors</li> <li>- Young people want to lead</li> </ul>
